Welcome from the General Manager

The Tradition Lives On!

Traditions are an inseparable aspect of the Great Jones County Fair.

Recall the thrill of riding the attractions as a child or participating in the free entertainment? Now, witnessing the pure joy on your child's (or grandchild's) face brings that joy full circle. Perhaps your family includes a second, third, or even fourth-generation 4-H member, proudly displaying their livestock or static exhibit. Did your first concert experience happen at the Fair? Over time, sitting in reserved seats, you've grown familiar with the folks beside you. For many, the Fair serves as the annual rendezvous point with school friends and family, a tradition upheld year after year. Meeting with friends, listening to good music, and indulging in those beloved fair treats that only come around once a year is something that lives on year after year.

As you enjoy the 2024 Great Jones County Fair, my wish is that you uphold cherished traditions while also embarking on new ones, ensuring a lively blend of experiences for years to come.

Craft Beer Tent

Ladies and Men's divisions

How to Compete and Win –

1. The competitor who can hold their stein with proper form (as described in the rules below) for the longest without being disqualified by the judge will be considered the winner.
2. An infraction of any rule will result in a strike being issued by the competition judge. After two strikes, the third strike results in the immediate disqualification of the competitor.
3. If any amount of beer spills or drips off of the stein, the competitor is disqualified, regardless of the number of strikes previously assigned.
4. Once the match has started and the competitor has extended their arm, they may not set the stein back down, switch hands, or touch the stein with their off hand to make any adjustments to grip.

Rules –

1. A 1L dimpled glass stein with handle must be used. The stein itself should weigh approximately 3 lbs. Steins used for any given competition should be of the same brand and style and should be provided by the establishment hosting the competition to ensure consistency.
2. The stein must be filled with liquid to the 1L lip.
3. The stein must be gripped by the handle.

4. The thumb may not rest on top of the stein handle; it must rest on the other fingers. The pinkie finger may be held outside of the handle. If the pinkie is outside the handle, it may only touch the handle, not the main body of the stein.

5. The pinkie finger may be held outside of the handle. If the pinkie is outside the handle, it may only touch the handle, not the main body of the stein.
6. The stein must be gripped such that the front of the stein faces away from the competitor. The stein may not be gripped sideways.
7. Limited arching of the back is tolerable, however only minimal leaning is acceptable. In the vertical plane, the competitor's elbow must never cross behind the front of the hips or the front of the ankle of either foot.
8. Leaning to the left or right side is unacceptable; the upper torso may not be noticeably angled to the left or right side and the line between a competitor's shoulder blades should remain close to parallel to the ground.
9. The stein must be held out directly in front of the competitor, not out to the side. The line between a competitor's shoulders should remain close to perpendicular with the arm holding the stein.
10. The arm holding the stein must remain close to parallel with the ground and should be extended straight with no bending at the elbow.

11. The arm holding the stein must remain separated from the chest of the competitor. The chest may not be used as a shelf to support the arm.

12. The off hand should remain at the competitor's side or back and may not touch or support the arm holding the stein.
13. Competitors may not contact any other structures, objects, or people during the competition.
14. Competitors must stand within their personal area and may not move more than is necessary to make adjustments ensuring proper form during the competition.
15. If any amount of beer spills or drips off of the stein, the competitor is disqualified, regardless of the number of strikes previously assigned.

Membership may continue until the completion of the year of their high school graduation. Membership year is September 1 through August 31. An exhibitor must be a member who has carried their project during the entire period according to project entry rules. FFA members are eligible to exhibit at county fair one additional year after high school. AGE GROUPS FOR ALL PROJECTS ARE:

JUNIOR: Grades 4, 5, 6 • INTERMEDIATE: Grades 7, 8

SENIOR: Grades 9, 10, 11, 12

Exhibitors must choose to exhibit under 4-H or FFA for each project area (examples of project areas: beef, pet, swine, photography, home improvement, etc.) and are limited to number of entries after each class number and name.

ENROLLMENT—Enrollment must be made through 4hOnline or with FFA Advisors, deadline for re-enrolling members is December 31, and for new members is May 15. Members that do not re-enroll by December 31st will not be allowed to exhibit for that year's fair.

ELIGIBILITY—All fair entries (including FFA Members) must be submitted through FairEntry at fairentry.com by July 1st. All paper identification forms (examples: Off Farm Housing, Pet, Bucket/Bottle, Clothing, Communication, and Working Exhibit Reports) must be filed with the Extension office by the designated dates. A grace period for postal delivery will be acceptable. Failure to comply with this rule will result in a member being denied the opportunity to exhibit at the fair. Anyone not complying with all the regulations of their project or who otherwise have not completed their work will not be permitted to compete. An individual project CANNOT be weighed in, identified, or exhibited as a 4-H/FFA project in more than one county or one official 4-H/FFA County Fair. This does not apply to open class or open multi-county junior shows/competition. No member will be denied the opportunity to exhibit their project due to the fault of a leader or advisor.

REPORTS—Anyone not complying with all of the regulations of their project or who otherwise have not completed their work will not be permitted to compete.

SUPERVISION—Supervision of 4-H and FFA project work will be under the jurisdiction of the County 4-H Youth Committee and the Ag Ed/FFA instructors with the cooperation of the County Youth Coordinator. Any questions or decisions about exhibits, regulations or reports will be made by this group.

EXHIBITS—Superintendents will be in charge of locating and housing all exhibits and will locate them best suited to their conditions.

RECORD BOOKS—Completed 4-H and/or Ag Ed/FFA record books are to be turned in to the respective 4-H leaders or Ag Ed instructors. 4-H record books must be submitted to respective 4-H club leaders for project award and All Around Youth Exhibitor award evaluation prior to the specified submission deadline.

EXHIBITOR DRESS CODE: 4-H and FFA Exhibitors are to wear the official Jones County Fair 2024 t-shirt or any plain white shirt or blouse, or any official 4-H or FFA shirt. NO last names will be allowed to be on shirt during shows. No personal advertising on clothing such as company or farm names will be permitted. State Fair exhibitor T-shirts will be allowed. Wear clean clothing. All exhibitors MUST wear pants that are at least ankle-length or appropriate-length skirts and closed-toe shoes. Exhibitors WILL NOT be allowed to wear hats or caps (excluding those in the Horse and Pony Department) while exhibiting at the county fair. (See specific Dress Code instructions as provided in individual divisions.) Failure to abide by the "EXHIBITOR DRESS CODE" will result in forfeiture of exhibitor's premium for that project.

4-H & FFA Premiums

The Fair Association provides financial support for project premiums in 4-H & FFA Livestock; Family, Arts, Science and Technology; and Other 4-H Opportunities Departments; as well as ribbons and judging expenses. Prize money will be based on the unit system unless otherwise stated for specific classes. Placings in various classes have been assigned unit values. The cash value of the units will be assigned according to the money available. Premium checks will be distributed through the Extension Office and club leaders. All entries will be awarded premiums based on purple, blue, red, and white ribbons.

All-Around Youth Exhibitor

As a part of the Great Jones County Fair, special recognition will be given to the top 4-H/ FFA youth exhibitors. The winners will be selected based on a weighted system that will take into consideration all projects exhibited in the 4-H/FFA Livestock, Family and Consumer Sciences; Science, Mechanics, and Arts; and Other 4-H Opportunities Departments. Record books must be submitted by the designated due date.

4-H Blue Ribbon Fund

The Jones County 4-H Blue Ribbon Fund was initiated in 2006 with the idea of generating a new alternative to swine ribbon auction by funding a simple premium bonus for the 4-H/ FFA swine champions. Premium bonuses are now awarded to the exhibitors of the designated dairy project areas. The Blue Ribbon Fund also supported exhibitor scholarships and other 4-H youth development activities as determined by the committee.

Iowa Youth Code of Ethics

Youth are expected to be sincere, honest, and act in sportsmanlike ways at all times. Youth represent the entire program and their behavior reflects on their parents, leaders, club, and the entire youth program. All adults involved with the youth program, leaders as well as parents, are expected to set positive examples and serve as positive role models by what they say and do. Any youth who breaks the code of ethics or allows another person (adult or peer) to talk them into violating the code of ethics agrees to forfeit all prizes, awards, and premiums. The youth may also be prohibited from participating in and exhibiting at this and future activities and exhibitions including the Iowa State Fair and other county, state, or regional exhibitions, as well as other disciplinary action.

In addition to the "Iowa Youth Code of Ethics", Jones County 4-H and the Great Jones County Fair also has rules and regulations which they impose on the county level including those designated in the Livestock Project Requirements (L-2), Iowa 4-H publication (4-H 202), and county fair book. Supervisors of 4-H and FFA members and exhibitors at the county level in regard to the Code of Ethics as well as the rules and regulations mentioned above and below will be under the jurisdiction of the County 4-H Youth Committee (including FFA Advisors, County Extension Education Director, County Youth Coordinator and 4-H Program Assistant) as delegated by the County Fair Board of Directors.

Youth agree to follow these guidelines:

- 1.** I will do my own work, appropriate for my age and physical and mental development. This includes research and writing of exhibit explanations, preparing exhibits (such as sewing, cooking, refinishing, etc.), care and grooming of animals, etc. Adult assistance should help guide and support me, not do it for me.
- 2.** All exhibits will be a true representation of my work. Any attempt to take credit for other's work, alter the conformation of animals, or alter their performance is prohibited. Copyright violation or allowing others to complete your exhibit is considered misrepresentation and is prohibited.
- 3.** I will treat all people and animals with respect. I will provide appropriate care for animals.
- 4.** I will present exhibits that are safe for consumption. All food exhibits will be safe to exhibit and for judges to evaluate. Other exhibits will be safe for judges to evaluate and for exhibition.
- 5.** All food animals that may be harvested immediately following the show shall be safe for consumers and shall have met all withdrawal times for all medications and be free of violative drug residue.
- 6.** If any animal requires medical treatment while at the fair or exhibition, only the Official Fair Veterinarian may administer the treatment. All medications that are administered shall be done according to the label instructions of the medication used.
- 7.** My animal's appearance or performance shall not be altered by any means, including medications, external applications, and surgical procedures. Any animal that is found to have changed its appearance or its performance shall be disqualified from the show and have penalties assessed against the exhibitor, parent, and/or guardian by the management of the fair or exhibition.
- 8.** I will follow all ownership and possession rules and, if requested, will provide the necessary documentation.
- 9.** I will follow all livestock health requirements for this fair or exhibition, according to the state health requirements as printed in the Premium Book of the fair or exhibition. I will provide animal health certificates from a licensed veterinarian upon request from the management of the fair or exhibition.
- 10.** By my entering an animal in this fair or exhibition, I am giving consent to the management of the fair or exhibition to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. If the laboratory report on the analysis of any sample indicates a presence of forbidden drugs, this shall be evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory, and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the exhibitor, parent and/or guardian to prove otherwise.
- 11.** I am responsible for my exhibit, and I will not allow others to violate this Code on my behalf.

- By my entering an exhibit in this fair or exhibition I will accept any disciplinary action taken by the management of this fair or exhibition for any violation of this Code of Ethics and any other rules of competition of the fair or exhibition without recourse against the fair or exhibition.
12. I want my exhibit to be an example of how to accept what life has to offer, both good and not so good, and how to live with and learn from the outcome.
 13. I will not be involved in any illegal activities while participating in 4-H and FFA events, including but not limited to alcohol, tobacco, or drug use.
 14. Jones County 4-H will abide by any disciplinary action sanctioned against me by other counties or levels of the organizations and apply that action as appropriate to my participation in Jones County.

I agree to conduct myself in an honest, ethical, and upstanding manner, and I understand that **disciplinary actions** will result if these rules are violated. I understand that I am expected to represent the program in a positive manner. I have read, understand, and agree to follow this code of ethics, and any other rules of competition of the fair or exhibition as printed in its premium book.

2. Supervision of 4-H and FFA project work is under the jurisdiction of the Jones County Extension Council, County 4-H Youth Committee, and the Ag Ed/FFA Instructors with the cooperation of the County Extension Director and County Youth Coordinator. Any questions or decisions about exhibits, regulations, or reports will be handled by this group; Extension Council has the right to make the final decision.
3. All 4-H/FFA members exhibiting beef cattle, bucket/bottle calves, dairy cattle, goats (dairy/meat), poultry, rabbits, sheep, or swine (all food animals) MUST complete YQCA (Youth for the Quality Care of Animals) certification for their respective age group (www.yqca.org).
4. Members MUST have properly enrolled in the project AND have submitted proper animal identification to the Extension Office through 4hOnline2.0 (FFA members use online forms) by May 15.
5. Poultry and Rabbits born after May 15 have a special identification deadline of July 1st.
6. All fair entries must be properly submitted through the FairEntry system by July 1 faireentry.com. No late ID, late fair entries, or additions to fair entries will be accepted or allowed to be exhibited, therefore, late fees will not be assessed.
7. Official report forms may be secured from 4-H club leaders, Ag Ed Instructors, or the Jones County Extension Website.
8. Identification numbers (registration, ear tag, tattoo, etc.), as well as birthdates, MUST be provided if requested on forms (calfhood vaccination identification tags will qualify if they are individually numbered, but a calfhood vaccination tattoo DOES NOT qualify). Proper identification of ear tags, tattoos, ear notches, etc. MUST be in place before arriving at the fair. (No fresh tattoos or ear notches are allowed).
9. Any animal that has been properly identified in 4hOnline 2.0 or on the member's original project identification report forms (FFA) and meets all eligibility requirements will be eligible for the exhibition provided the proper entry form was submitted.
10. Ineligible/extra animals may not be brought to the fair.
11. A pre-determined fee will be charged for all ear tags/wing bands used on animals at the starting weigh-ins (beef, meat goats, poultry, sheep, and swine).
12. For Jones County Fair eligibility, livestock projects must be cared for by the 4-H/FFA member enrolled in the project. If a project is at a place other than the member's family operation, it must be reported using the "Animals Housed Off Home Farm Request" form by May 15. Approval is up to the jurisdiction of the group identified in rule #2 above.
13. Animal(s) may be owned in partnership and conducted as projects by more than one member of the same family. However, only one member will be allowed to identify the shared animal in 4hOnline 2.0 or an official identification report form (FFA).
14. A livestock project/unit/animal can only be exhibited in one individual class (excluding championship or showmanship) unless otherwise stated. Exceptions would be bucket/bottle, dairy heifers, dogs, horses, rabbits, poultry, and sheep.
15. An individual project cannot be exhibited as a 4-H/FFA project in more than one official 4-H/FFA county fair. However, a project may be exhibited in open junior shows in more than one county.
16. Each 4-H or FFA member must exhibit their own livestock project unless they have more than one animal in the same class or their absence is excused by the 4-H Youth Committee. A second animal in the same class must be exhibited by a Jones County 4-H or FFA member wearing a matching exhibitor number printed in red. To be an excused absence, a Substitute Show Person Request Form must be submitted to the Extension Office by July 1st. The substitute show person must be a Jones County 4-H/FFA member wearing the original show persons exhibitor number in red. If the form is not submitted or final approval is not

- granted, the animals will NOT be allowed to be exhibited. Exemptions will be made for injury, illness, or special circumstances. "Inability to handle your animal" is not a suitable reason for a substitute show person. In such a case, the animal will not be allowed to be exhibited at all.
17. All Livestock must be stalled or penned in areas assigned. Animals are not to return to the trailers until released. See the Herdsmanship section for all other rules and recommendations for stalling, penning, and equipment usage.

Any animal that leaves fairgrounds without prior approval will forfeit premiums for this animal.
 20. Members must have exhibited their livestock/animal projects at the fair to qualify for eligibility in the Market Animal Auction.

No unnatural means of providing an animal feed, water, or other fluid (i.e. stomach pump, IV) will be allowed. All animals giving evidence of such treatment will be disqualified from the show (see Code of Ethics).
 24. If an exhibitor and/or animal that has been disqualified, the exhibitors will no longer be able to show in the current year in that species. They will forfeit any awards and/or premiums in that species for the current year.

Auction

ISU Extension and Outreach staff, Jones County Blue Ribbon/Auction committee, invite you to participate in the 4-H and FFA livestock auction. Our goal is to allow all 4-H and FFA members to sell to local buyers at the Jones County 4-H Livestock Auction.

When is the auction?

Saturday of the Great Jones County Fair @ 9 AM
Livestock Pavilion

How many animals are eligible per exhibitor?

All market beef
One market swine
One market sheep
One market goat
One meat rabbit division entry
One market poultry division entry

How do you participate?

4-H and FFA exhibitors can identify their participation in the auction on the July 1 paperwork. Exhibitors will have until the species check-out time to communicate any changes with ISU Extension and Outreach staff during the fair week.

Identifying auction animals will secure a housing spot for the time between the livestock show and the auction. This means the animal would need to stay at the fairgrounds, under your supervision and care, until the animal is sold on Saturday. Once an animal is off the grounds, it may not come back. The animals not entering the auction will be released at the species checkout time (listed in the fair book).

How do you prepare for the auction?

Talk to potential buyers! The auction is only a success if buyers are there to bid for your project. Visit businesses, family, friends, or neighbors and ask them for their support at this year's auction! Share the buyer brochure with your potential buyer/s to help the buyer understand the options.

Why would you participate?

- Auctions are a real-life marketing tool that many producers use to market their livestock.
- Accurate record book entry for the value of the project at completion.
- Allow the buyer to stock up their freezer.

What are the exhibitor's expectations?

- All animals will be sold to the highest bidder.
- Auction animals cannot go on to other shows after entering the auction, such as the Iowa State Fair, Best of Best Shows, etc.
- It is the seller's responsibility to secure buyers.

What is the sale attire?

4-H and FFA exhibitors are required to wear show attire (4-H/FFA shirt, clean-cut jeans, and closed-toed shoes). Animals need to be presented in the ring, clean, and attractive to the buyer.

What is the livestock transportation process?

Buyers will select the location of the purchased animal. They will select from the following locations: back to the barn, a local locker, cascade sale barn, or packing plant.

What is the species order during the auction?

The sale order will be determined before the week of the fair.

Do exhibitors write a thank you to the buyers?

ABSOLUTELY!! All exhibitors are encouraged to thank the buyers in person at the sale auction AND mail a written thank you note to the buyer after the auction.

Vendor Policy Statement

The Great Jones County Fair is a public forum of limited duration and exists in part to provide a means for a great number of exhibitors to temporarily present their products or views, be they commercial, religious, or political, to a large number of people in an orderly, safe, secure and efficient fashion.

To avoid congestion and to prevent any impediment in the flow of fair patrons and to facilitate the maintenance of orderly movement throughout the fairgrounds, anyone desiring to exhibit must apply for booth space as set forth in the Great Jones County Fair Space Rental Rules and Regulations and comply with the terms and conditions of the space rental agreement. Exhibit shall mean activities, including, but not limited to, petitioning, proselytizing and/or the sale, posting or distribution of any merchandise, products, promotional items and printed or written materials.

Sale or distribution of any merchandise, including printed or written material except under license issued by the Great Jones County Fair and/or from a duly licensed location is strictly prohibited.

Because of the great interest in the safety and orderly movement of large crowds and vehicular traffic flow, any activity engaging or impeding the fair going public or interrupting the orderly flow of the fair-going public outside of an approved, licensed, and contracted booth space is strictly prohibited.
